

On page 11, please amend the abstract as follows:

Abstract of the Disclosure

~~The invention is based on a~~ A power tool, in particular a handheld electric power tool, ~~having~~ includes a housing (10) with a coolant duct arrangement, having through openings (14), for a cooling medium for cooling at least one motor located in the housing (10). ~~It is proposed that the~~ The through openings (14) each have cross-sectional areas in the range from 0.15 mm<sup>2</sup> to 10 mm<sup>2</sup>. A coolant duct arrangement is also proposed.
